Torrance High Plans Vocation Demonstrations

Information regarding job openings, qualifications, salaries, and other pertinent points will be presented to the students of Torrance High School by representatives from more than 60 vocational fields on Thursday, February 11, from 8 a.m. until 12:15 p.m. The high school staff and representative students have planned a vocations conference to bring to students the latest information on job opportunities. Dr. Myron C. Olson, professor of education in the University of Southern California, will kenote the conference with an address to be given to the students in the auditorium. Dr. Olson's address will be followed by three one-hour conference periods. Students will attend one-hour sessions to hear the various speakers tell of their profession and the opportunities it presents for students. The entire student body was polled and letters were sent to bankers, lawyers, doctors, plumbers, electricians, and service representatives asking them of their willingness to speak to the students at the vocations conference. Approximately sixty acceptances have been received officials said.

Theater Bus Party Slated

Reservations now are being taken by the Torrance Recreation Dept. for a theater-bus trip to a performance of "Dark at the Top of the Stairs" at the Biltmore Theatre in Los Angeles. Members of the party will board a bus at 7:30 p.m. on Feb. 5 for the trip to the theater. The bus will leave from the parking lot of the Recreation Dept. offices at 1511 Cravens Ave. The fee of \$2.75 includes bus transportation and admission to the play, which stars the popular Joan Blondell. Written by William Inge, "Dark at the Top of the Stairs" is a comedy that received rave reviews when it opened in New York. Only 50 reservations will be taken, and these must be received by Feb. 1.

National Supply Employees Give \$2400 in Drive

The National Supply Company and its employees have contributed over \$2400 to the Red Cross, it was announced this week by J. Arthur Taylor, commerce and industry fund chairman. "Some 650 employees gave \$825," said Taylor, "in addition to their firm's contribution of \$1600." Homer Schooley, chairman of National Supply Employees Club, said that the employees' group gives \$11,000 annually to 20 charities in this area. "The program is in its tenth year," he said, "and has the support of about 80 per cent of our employees." Taylor, vice-chairman of the board of the First Western Bank and Trust Company in Los Angeles, said the National Supply Company's contributions represent one of the major gifts by local industry to services of the Red Cross. The Red Cross 1960 fund campaign will be conducted in March.

Howe Joins B of A Staff in Torrance

W. Holman Howe has been added to the staff at Bank of America's Torrance branch. He becomes assistant cashier and general lending officer there, according to Manager Harold G. Frenz. Howe has been on the Los Angeles Headquarters branch reserve staff for the past four years. He joined the bank as a bookkeeper in 1927 and advanced to officer rank in 1931. He is a director of the Los Angeles Harbor Shrine Club and member of the San Pedro Masonic Lodge. In San Pedro, he was formerly treasurer of the Kiwanis Club and director of the Junior Chamber of Commerce. He has also been active in the Red Cross, Community Chest, and American Cancer Society.

First Aid Classes to Be Presented

Standard and Advanced First Aid classes will be offered in the Spring semester by the Torrance Adult School. A Standard First Aid course will be held beginning Feb. 2 through March 1, on Tuesday evenings at Meadow Park Elementary School, 3860 W. 230th St. Another Standard course will begin on Monday, Feb. 15, through March 15 at Yukon School, 17815 Yukon Ave. An advanced First Aid class to be held on Tuesday and Thursday evenings from 7 to 10 p.m. from March 22 through April 7, has been scheduled with location to be announced later. Red Cross certificates will be issued upon completion of these classes.

215 Sixth Graders See Junior High

Students at Stephen M. White Junior High School were hosts to 215 students from eight elementary schools last week as the younger students toured the junior high campus. The White student council conducted the visiting students on a tour of the school facilities, and then took them to the auditorium where a program was presented with the senior orchestra and the mixed glee clubs of the school performing. Officials of the school and student body officers were presented to the visiting sixth graders, many of whom will be attending the school next year.

52 Students Hurt During Fourth Month

Fifty-two accidents involving school children were logged during the fourth school month, members of the board of education were told this week. Of the accidents, in which the child was either taken to the doctor or it was recommended that a doctor be consulted, the largest group of 16 was for cuts and abrasions. Eleven complained of bumps and bruises; eight of sprains, five possible fractures, and six fractures. Six were listed in other categories. None of the 52 accidents was severe, the board was told.
